

GRA Venture Fund, LLC

Georgia's one-of-a-kind, public-private venture capital fund

WHAT WE DO:

Seed and support **advanced research** discoveries and inventions in Georgia

Provide funding for **high-potential startups at their earliest stage**, across all technology sectors

Partner with other investors to generate "**critical mass**" in VC for Georgia's entrepreneurial ecosystem

\$45M committed

OF WHICH \$20M has been invested in 16 companies

WHICH HELPED CATALYZE \$400M+ in outside capital
(20:1 leverage of GRA VF capital)

... WHICH GENERATED 600+ high-caliber jobs in Georgia
(with more being created!)

Growth

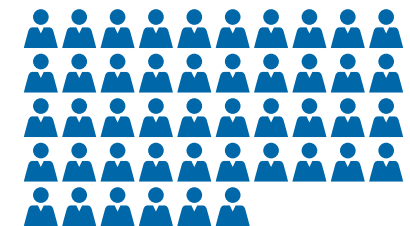

GRA Venture Fund has had two successful raises:

2009: \$20M

An initial \$7.5M evergreen contribution from the State of Georgia provided a strong foundation and helped draw **19 individual investors** (\$6M) and 7 public/private institutional investors (\$5.8M).

2015: \$25M+

Of which **46 individual investors** contributed \$21M+

Our current portfolio:
